Montana Health Care Programs Notice

RHC, FQHC, and IHS

Effective July 1, 2014

Telehealth

Beginning July 1, 2014, Medicaid began allowing Rural Health Centers (RHCs), Federally Qualified Health Centers (FQHCs), and Indian Health Services (IHS) to be reimbursed for HCPCS procedure code Q3014, Telehealth Originating Site Facility Fee.

CMS guidelines require that this procedure code be reimbursed at the CMS rate instead of the facility all-inclusive rate. The current reimbursement for this service is \$24.63 as of July 1, 2014.

To bill for this facility fee, providers must use Revenue Code 780 and HCPCS procedure code Q3014. These services must be billed on a separate line from any other services provided that day.
